IRONPUMP

world class water pumps

BC pumps

Flow: 1-100 m³/h

Pressure: 5-60 mLC

Piston

- Ballast
- Bilge
- Boiler feed
- Fire and general service
- Hydrophore
- Oil transfer

IRONPUMP

world class water pumps

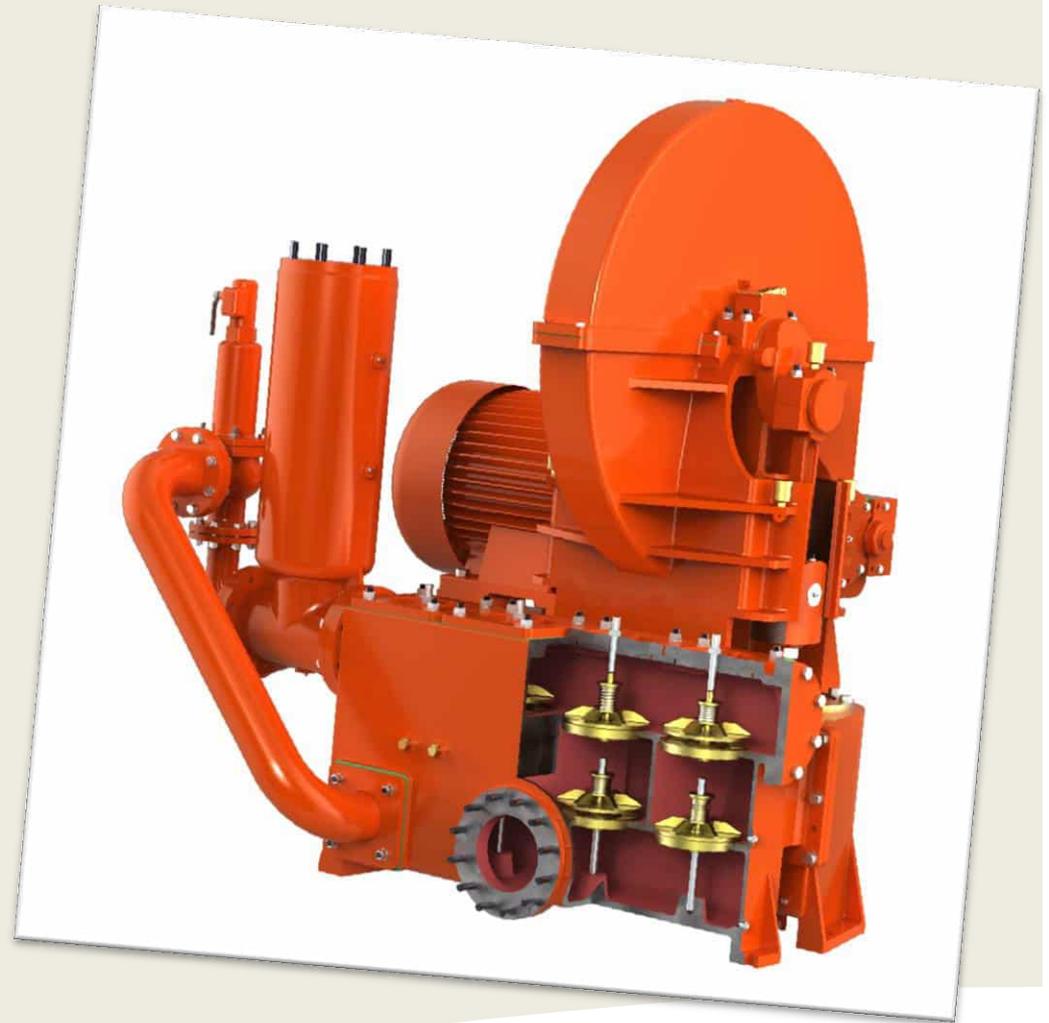

BD- V/HV pumps

Flow: 22-290 m³/h

Pressure: 10-100 mLc

Piston

- Bilge
- Ballast
- Oil transfer
- Fire and general service

IRONPUMP

world class water pumps

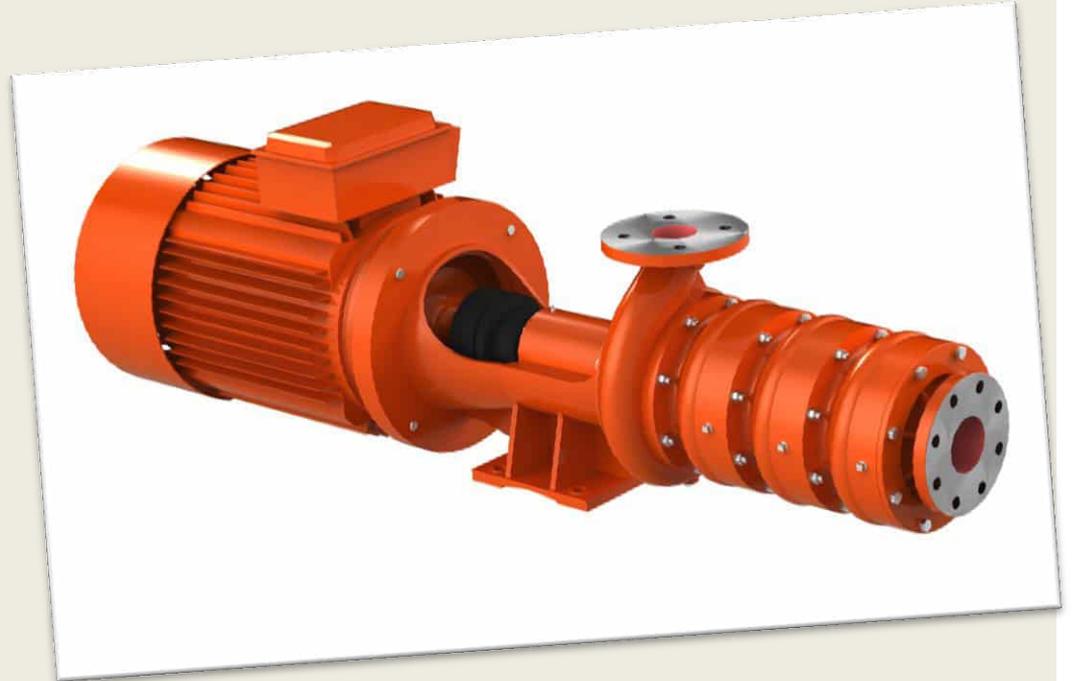

CHV pumps

Flow: 15-300 m³/h

Pressure: 10-150 mLc

Centrifugal

- Central cooling
- District heating
- Fire fighting
- FW & SW cooling
- General FW & SW service
- General water supply

IRONPUMP

world class water pumps

CN pumps

Flow: 5-4500 m³/h
Pressure: 10-140 mLc
Centrifugal, Norm

- Central cooling
- District heating
- Fire fighting
- FW & SW cooling
- General FW & SW service
- General water supply

CNL pumps

Flow: 5-800 m³/h

Pressure: 10-60 mLc

Centrifugal

- Central cooling
- District heating
- Fire fighting
- FW & SW cooling
- General FW & SW service
- General water supply

IRONPUMP

world class water pumps

CNLB pumps

Flow: 10-1000 m³/h

Pressure: 10-100 mLc

Centrifugal

- Central cooling
- District heating
- Fire fighting
- FW & SW cooling
- General FW & SW service
- General water supply

IRONPUMP

world class water pumps

CVLS pumps

Flow: 10-2500 m³/h

Pressure: 10-100 mLc

Centrifugal

- Bore hole pump
- Condensator pump
- Cooling pump
- Deep well pump
- Lube oil pump
- Off-shore
- Tank pump

IRONPUMP

world class water pumps

DHB pumps

Flow: 10-800 m³/h

Pressure: 10-140 mLc

Centrifugal

- Central cooling
- FW & SW cooling
- General FW & SW service
- HT & LT standby
- Washing hydrophore

IRONPUMP

world class water pumps

QH pump

Flow: 25-4000 m³/h

Pressure: 10-150 mLc

Centrifugal

- Ballast water
- Boiler circulation
- District heating
- Fire fighting
- General FW & SW service
- Irrigation
- ME SW cooling
- Off-shore
- Power plant
- Public water supply

IRONPUMP

world class water pumps

QT pump

Flow: 256-1740 m³/h

Pressure: 5-38 mLC

Propeller

■ Heeling system

IRONPUMP

world class water pumps

QV pump

Flow: 25-4000 m³/h

Pressure: 10-150 mLC

Centrifugal

- Ballast water
- Boiler circulation
- District heating
- Fire fighting
- General FW & SW service
- Irrigation
- ME SW cooling
- Off-shore
- Power plant
- Public water supply

IRONPUMP

world class water pumps

RS pump

Flow: 10-100 m³/h

Pressure: 15-120 m^{Lc}

Centrifugal

Self Priming

- Agricultural Service
- General water supply
- Industrial Service
- Marine Service

IRONPUMP

world class water pumps
